COUNTY NEWS IN REVIEW

Burlingame—

Burlingame greeted 1940 with a far-flung civic program of park expansion, last week, with the council authorizing the purchase of more than 7 acres of the Mose Gunst estate, adjoining Washington park.

At the same time officials revealed that plans are under way for acquiring a long-sought park in North Burlingame.

Bayshore City—

Voters of the little community of Bayshore City, for seven years tax free, will cast their ballots, February 3, on a proposed disincorporation of their city, as the result of a special election called for that date by last week's council meeting.

The disincorporation move was launched last November following a shutdown of the Bayshore Kennel clubs, which deprived the city of its principal source of revenue, the track license fee.

San Bruno—

Funeral services were conducted in San Bruno last week for Mrs. Bernardina Rapsey, mother of Judge R. A. Rapsey of San Bruno. A resident of San Bruno for the past 22 years, she died last Sunday, at her home.

Judge Rapsey is well known in Daly City, holding the post of city attorney here.

San Mateo—

The city of San Mateo hurtled ahead from third to top place on the Peninsula during the last decade, according to census and building figures released in the county last week.

With a population of more than 50,000 San Mateo is now the largest city between San Jose and San Francisco, both in population and in number of homes, the report revealed. Palo Alto formerly ranked first.

Storm—

Dernching rains, high winds and pounding seas this week marked the season's most severe storm in San Mateo county.

The Coast road was being cleared of rocks and sliding earth yesterday for the third time in 48 hours, having been blocked on Pedro mountain and at Mussel rock. At Brisbane, rocks and debris were strewn across Bayshore highway but traffic not blocked. At places a 4-inch layer of mud covered the highways.

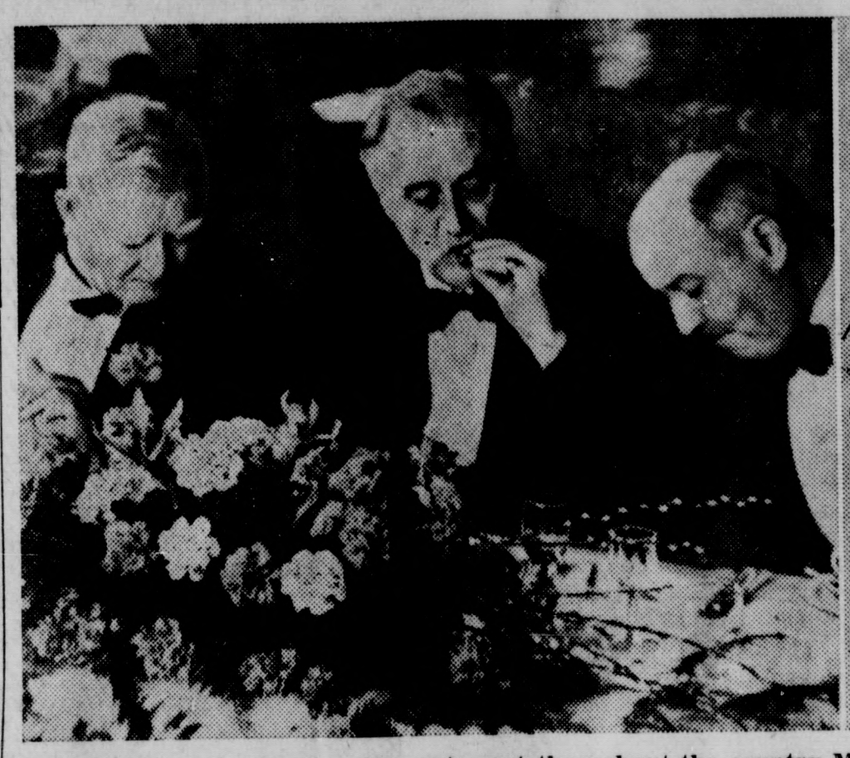
Highest wind of the storm was recorded at Mills field, Sunday afternoon, when the gauge registered 56 miles an hour.

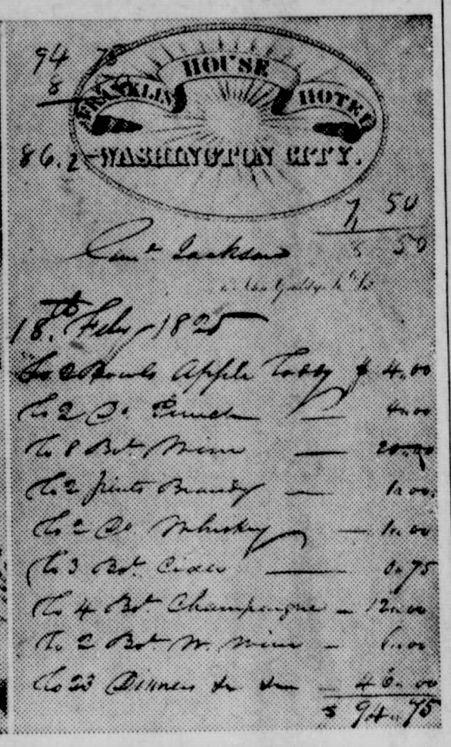
Urge Return Of Seals

The thirty-third annual sale of Christmas seals is over but the 10,104 families who have not returned their Christmas seals are needed to put the campaign for funds over the top, according to Mrs. Elsa S. McGinn, county chairman. To date many families still have the seals. It is not too late to return contributions, Mrs. McGinn said. The annual budget will be made up on January 15.

Tuberculin testing of high school students will start in Daly City early in the new school semester. All students found to have been infected with the germs causing tuberculosis will be X-rayed by the association and reports sent to the family doctor; the parents will be visited by a public health nurse who will assist the school, the family and the doctor in the search for the cause of the student's infection.

Dinners at $100 Each; Andy Was No Piker, Either!





Faithful of the Democratic party met throughout the country Monday to honor the memory of Andrew Jackson and—incidentally—pay a large price for a good dinner, the profit from which will go to campaign coffers. Highest priced dinner was at Washington, attended by such notables as President Roosevelt, Vice President Garner and Postmaster General James Farley. Each meal here costs $100. Historians point out that Jackson Day diners are not the first politicians to dine expensively. Above is illustrated the bill tendered Jackson himself in 1825 when he entertained several friends. It totaled $94.75!

SFPI Dinner Set For Tonight

San Francisco Peninsula Inc. will hold its second annual dinner at 7 p. m. this evening in the Hotel Benjamin Franklin in San Mateo, with more than 200 civic leaders from two counties present.

"We anticipate a record turnout," T. J. Hallinan, SFPI president said, "including San Mateo and Santa Clara county supervisors, city councilmen, presidents, and secretaries of Chambers of Commerce, union officials, and other business and civic leaders of the entire Peninsula."

Featured speaker will be H. C. Bernsten, general manager of American Newspaper Publishers' association, a newspaper and advertising man of many years experience. His subject, "The Greatest Show on Earth," deals with the constructive power of advertising.

Albert H. Boynton, publisher of The Daly City Record, will represent Daly City at the meet.

Enter Champions Of Catdom In C. F. A. Show

Daly City will be well represented at the Cat Fanciers' association cat show to be held at the Civic auditorium, January 13 and 14.

Local entrants will include Miss Dorothy Eason's champion, Red Boots of Cherokee, a Red Peke-face Persian. Miss Eason's Tuyon, Siamese, opposite sex, will show for the first time. Tuyon's mother, Mong Yon, has an enviable record, taking best and best opposite sex at her last show.

Ahamo, Red Peke-face Persian tabby, opposite sex, who owns an impressive array of ribbons and has two points to go for her championship, will be entered by her owner, Mrs. H. Mallen, 436 Irvington street. Ahamo is a half sis-

Indians To Play

Jefferson's famous swingsters, Dante P. Lembi's popular Indians of Rhythm, will play for the Senior Ball at Jefferson, January 19, it was learned today from the high school.

The Indians have accepted an invitation to appear before the Bayshore PTA Friday afternoon, and are also scheduled to give a performance in Sharp Park this month.

Indicative of the wide acclaim the Indians have received from all quarters is the following letter which Dr. Walter V. Kaulfers, professor of education at Stanford university, recently sent to Lembi:

"Dear Dante,

"Just a line to thank you again for the swell time afforded me by your invitation Thursday to hear your proteges play and perform in San Francisco. I already have told you how surprised I was by the very professional standard and quality of the performance.

"I knew many of the numbers quite well and can say sincerely that they have never been put over better on any stage or radio program that I have heard. The audience, too, were very appreciative. I heard many favorable comments on all sides—"

Feb. 4 Deadline For New Licenses

Motorists can secure license plates at the usual office, 160 South Van Ness avenue, until February 4, 5 p. m. Office hours are 9 a. m. to 5 p. m., Monday through Friday, and 9 a. m. to 12 noon, Saturday.

Applicant must present as his application for renewal: registration card, postal assessment notice postcard and fees as shown on postcard. Personal checks are not acceptable.

Judge Clay Fines Two Violators

Violations of the Alcoholic Beverage Control law brought two Colma residents before Judge Wade H. Clay last week.

Joe Duffy of Biggio's place, Colma, was sentenced to 50 days in the county jail in default of a $100 fine, while Emily Gandolfo, of Emily's place, 214 School street, was fined $50 and put on probation for six months.

Court records showed only two traffic cases last week: Anton Peterson, 124 Lakeview avenue, fined $50 for drunken driving, and Henry Noah Moyo, South San Francisco, $10 for speeding.

Announce Winners Of Garden Village Christmas Contest

Mr. and Mrs. Espie Stafford took first prize last week for the best Garden Village Christmas decoration. The Staffords' display was two giant candles on each side of their front door and 'Merry Christmas' on the courtyard fence with comic strip characters for a background.

Mr. and Mrs. George Nickson's home, with knotty pine front and icicles on the eaves and tree seen through the window, took second prize.

Mr. and Mrs. Arthur Reeves Smith's window of poinsettias with a background of blue won third award and Mr. and Mrs. Bill Davidson's tableau of mother and father bending over a crib, and fireplace on the front porch, came fourth.

Judges were Mayor Paul G. Selmi, Mrs. L. Anderson, art instructor of Jefferson Union high school; Albert H. Boynton, editor of The Record, and Dr. G. O. Chalfaut.

To Use Gas Tax Funds

Daly City's long-sought $250,000 WPA South End streets improvement project was officially authorized by the city council, Monday evening, following a series of lightning developments during the past two weeks. Work is scheduled to begin January 24.

The project will employ approximately 150 men for a full year and with the single exception of the paving of Crocker tract several years ago, will be the biggest project of its kind that Daly City has ever undertaken.

With Federal funds reducing the cost to the district from $8 to approximately $3.50 per front foot, the project will cost $254,287. WPA will furnish $178,808, including $15,626 in cash for materials, while the city will furnish $75,479, to be raised by 10-year assessment bonds.

The council passed a resolution applying to the State Division of Highways for $10,000 in major streets quarter cent gas funds to be applied on Vale, Werner and Market streets, already designated as streets of major importance. If approved, this appropriation will further cut the cost of the WPA project to the city.

The work includes complete improvements of streets in the south end of the city; grading, paving, constructing sidewalks and curbs, base and gutters, installing water mains, manholes, catch basins, valves, fittings, hydrants, storm drains and sanitary sewers; laying pipe, backfilling.

The official approval from WPA headquarters in Washington last month climaxed many months of struggle on the part of city officials, civic leaders and local residents for the South End paving. The first meeting to organize a proposed PWA street project was called to order more than a year and a half ago by Mayor Paul G. Selmi. Later, under City Engineer Julius F. Castelan, the plans and specifications were made into a WPA application instead.

The sponsor's fund will be broken down into rentals, $17,583; materials, $48,196, and incidental labor, $9,700. Bids will be opened shortly for building materials, according to city officials.

The city council Monday night authorized the renewal of the city's contract with the WPA Recreation department, amounting to approximately $2300 per year as sponsor's contribution. The council authorized the purchase of ap-

SRA Cuts Relief Cost For San Mateo County

How the taxpayers might have borne extra burdens in San Mateo county if it had been solely responsible for offering the same type of unemployment relief and social service investigation now provided by the State Relief administration was outlined today by Walter Chambers, SRA administrator.

Chambers said the county would have been obliged to foot a relief bill amounting to $117,897.56, which would have increased the county's present total expenditures by 9.9 per cent.

Colma News

By Eleanor Price

Mr. and Mrs. Leroy Franzoir, Price street, Colma, are the proud parents of a baby boy born December 28.

Mr. and Mrs. James McCullough entertained Mr. and Mrs. Frank Khale and son, Roy, and Mr. and Mrs. Elmer Ohlendorf at a New Year's dinner at their home.

Mr. and Mrs. Mattrup Jensen, Mrs. John H. Price and Elmer Vaccari attended a dinner at Veneto's, Wednesday night, given in honor of Mrs. Emily Champreux, Grand Guardian of the State of California, Order of Job's Daughters.

Mrs. A. Hollingsworth attended a breakfast at Charlotte's, Sunday morning, given by the 1940 Warder's Association, Order of the Eastern Star. Mrs. Hollingsworth is Warder of Crocker Chapter in Daly City.

The regular Colma Parent Teachers association whist will be held Tuesday afternoon, January 16. Playing will begin at 2 p. m. in the Jefferson annex.

Mr. and Mrs. L. Perechino and daughter, Ethel, motored from Stockton to visit with Mr. and Mrs. V. Capurro.

Miss Irene Garibaldi is confined to her home with illness.

Mr. and Mrs. Frank Michel, Alameda, visited with Mrs. H. L. Remington last week.

County Schools Given High Rating

Pansy Jewett Abbott, county superintendent of schools, has been notified that the elementary curriculum of San Mateo county schools has been evaluated as outstanding in the United States by a recent survey conducted in the Curriculum laboratory at Columbia University Teachers' college, New York City.

One thousand seven hundred and fourteen courses of study in the United States for 1938-39 were subjected to a critical analysis, and of that number 125 were selected as outstanding. An interesting fact is that of the 125, seven were from San Mateo county.

In California, besides those chosen from San Mateo county, the following were included: Los Angeles city, 3; Los Angeles county, 1; Long Beach, 3; Fresno, 1.

Ruthe Crawford has been named editor-in-chief of the Senior edition of Jefferson Union high school's paper, according to an announcement received from Jefferson today. Miss Crawford has chosen as her assistants Ethel Clemans, Yolanda Giusti and Marian Sheridan.

The Senior edition is published each graduation time in honor of the graduating class.

Jefferson Selects Three Yell Leaders

Bessie Patrikos, Eddie Zugar ann Tillie Castro won positions as assistant yell leaders in a contest conducted at last Wednesday's general assembly at Jefferson Union high school.

Runners-up included Ed Bittancourt, Betty Brewer and Anita Lehigh. The contestants were introduced by Betty Morris, present yell leader.

Jr. College Begins Basketball Season

With speeches and campaigning over, San Mateo Junior College students are now holding their primary and general elections to determine student office holders for the coming spring semester.

The college basketball team opened a rushed season with one week of practice and defeated Santa Ana jaysee at the state tourney at Modesto but lost to Los Angeles and Placer jaysee teams. Now, with added practice behind them, the Mateans are prepared to start their conference schedule which includes games with all the junior colleges in the bay area.

General Motors' Jubilee Tomorrow

General Motors will build its twenty-five-millionth car tomorrow, and as the car rolls off the assembly line at Flint, Michigan, it will signal the beginning of a celebration in keeping with the impotrance of the occasion.

Alfred P. Sloan jr., chairman, William S. Kundsen, president, and M. E. Coyle, vice-president and general manager of the Chevrolet division, will take part in the ceremonies as the car, a Chevrolet, is completed.

Five thousand persons will take part in a "Family Party" at Detroit tomorrow evening, a tribute to the veteran employes of General Motors, and pioneers of the automobile industry.

"Since the first General Motors cars were produced, the whole face of America has been changed," Knudsen said. "The country has emerged from the horse and buggy era into the new motor age. Millions of jobs have been created. Nearly every industry from the farm through the factory has been quickened and benefited. The motor car has created a new America."

Chevrolet and Buick are handled locally by Belli Motor company, Mission and Market streets, Daly City; Belli block, Colma.

Mr. and Mrs. Bagala Give New Year's Party

A New Year's Eve party was given by Mr. and Mrs. Fred Bagala at the home of their daughter and son-in-law, Mr. and Mrs. Lester Praeder, 118 Wilson street.

The supper table was tastefully decorated in seasonal colors with a huge red candle at each end and a large white cake as centerpiece. Favors were placed around the table for each guest.

Present were Mr. and Mrs. W. Loskot, Mr. and Mrs. C. Luttunger jr., and son, Melvin; Mr. and Mrs. H. Hildabrandt, Mr. and Mrs. C. Barretto and Mr. and Mrs. Silvanes.

Studebaker Leads Industry In Gains

It's an old saying that records are only made to be broken, but the manner in which Studebaker is topping previous performances in selling cars is causing comment all over the country, according to William J. Sweeney, local Studebaker dealer, whose headquarters are located at 6806 Mission street.

"Studebaker's national registrations, cars delivered to buyers, for the first nine months of this year exceeded the same period of last year by 121.1 per cent," announced Sweeney yesterday. "This is nearly three times that of the entire industry, which had an increase of 46 per cent.

"Studebaker stood in thirteenth place in the industry in 1937, tenth in 1938, and eighth for the year to date."

Extension Classes Begin Next Week

Fifteen University of California Extension Division classes will open next week at the Extension Division Center, 540 Powell street, San Francisco. The classes, together with the date on which they begin, are:

January 16: elements of economics, general biology, general psychology, classes in Spanish and German, credit management, general insurance and elementary accounting.

January 17: aids to effective thinking, great books in their social settings, mental hygiene and childhood, public opinion and propaganda, elements of public speaking, and costume and the individual.

January 18: correct English, and four short story writing classes.

In addition to these classes there are more than 200 others beginning this month in San Francisco. Full information may be secured from the Extension Center, 540 Powell street.

Chevrolet Holds National Truck Week

According to an announcement made this week by M. J. Soldavini, manager of Belli Motor company, Mission and Market streets, Daly City, and Belli block, Colma, Chevrolet's National Truck week, January 8-13, inclusive, will be among the most important events of the 1940 automotive year. Joining with F. Norman Phelps, Pacific regional manager of Chevrolet Motor division, and S. C. Vance, regional truck manager, Soldavini stated that the program scheduled for January 8-13 is the most extensive and educational ever presented by Chevrolet.

"Among the highlights of National Truck week is the elaborate truck and commercial car display arranged by dealers throughout the Pacific region," said Soldavini. "Dealers have sent invitations to fleet owners and commercial car operators to attend this announcement of the 1940 Chevrolet light and heavy-duty series and to view the complete display which includes 56 models on nine different wheelbases.

"I extend a cordial invitation to the people of Daly City and Colma to attend this Chevrolet truck showing. A complete variety of models, colors, and mechanical features will be on display at our showrooms throughout National Truck week," Soldavini said.

Hull Fishermen

Between 50 and 60 thousand persons depend on fishing for their livelihood in Hull, England's greatest fishing port.

A True Green

The Black forest is not black, nor is the Blue Danube blue, but the Emerald isle is green from the glens of Antrim to Killarney except, as the Irishman says, where it is invisible green.

New Year—New Leaf—

Why Not New Car?

THE slate's clean, the past is past, you're making a new beginning on a new year you hope will be happier and finer and richer — how about doing the job up right?

You spot the fun possibilities in this brilliant and buoyant Buick just by watching it flash by, but have you been in to *try* it?

Do you know what it's like — first hand, we mean — to have a hundred-plus Dynaflash horsepower waiting your treadle-foot's nudge? Have you sampled the thrill in such an engine micro-poise-balanced to smoothness a wrist watch can't hope to equal?

Today's winter-roughened roads give you swell chance to try out BuiCoil Springing's gentle ride — raw weather emphasizes the stout snugness of Unisteel Bodies by Fisher and the convenience of the Flash-Way Direction Signal.

Now's when you most need firm new rubber — sure, soft, tiptoe brakes — Buick's automatic choke — stout, taut frames and rugged bodies, and why wait for spring to buy beauty that gives your spirits a lift?

Then too, driving speeds are naturally lower now and driving distances shorter, making this the best time of all to get a car properly started in life.

So figure it out! It's a new year. You've turned a new leaf. Ask your Buick dealer what a new Buick will cost you now — and let every month of 1940 contribute to a happy new year!

Not a six but an EIGHT for $895 and up delivered at Flint, Mich. *Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories — extra. Prices subject to change without notice.

Cooperation Brings Progress

Daly City has the assurance that within two or three weeks the second largest street improvement project in the history of this community will be under way in the Colma area. All South end unimproved streets within the city limits are to be paved. Gutters, curbs, sidewalks are to be built; watermains and sewers installed at a cost of $254,287.

Set up as a WPA project and recently approved by the federal government, the entire job will cost property owners in that area only $75,479.

To the consistent, earnest effort and cooperation of local citizens, officials and representatives in Congress goes credit for securing WPA approval on the project and an appropriation of $178,808 in federal money.

Mayor Paul G. Selmi, City Engineer Julius F. Castelan, former City Engineer R. A. Klassen, City Attorney Rudolph Rapsey, Angelo Olcese, Frank Garibaldi, Peter Benassini, A. J. Bertini, William Fuchs, Joe Sarto and others figured locally in promoting the project. Congressman Jack Anderson worked on governmental agencies in Washington to secure approval on the job.

Movie Fan

On a visit to the penal colony on Devil's island, French Guiana, Cameraman Pierre-Andre Martineau discovered the world's most enthusiastic movie fan. He was a convict whose body bore tattooed portraits of Garbo, Marlene Dietrich, Mary Pickford and other film stars. His gallery is now complete; he has no more room for pictures.

Volcanoes for Visitors

Stromboli, the volcano of the Italian Lipari islands, provides visitors with virtually continuous activity, providing hourly or two-hourly eruptions, of enough violence to give tourists a few moments of thrill as the glowing lava is shot up from the core of the earth.

Bacteria Families

Nearly 3,000 separate families of bacteria are at present kept alive in the American Museum of Natural History. These families, whose list of names begins with Absidia blakesleeana Lendner and ends with Zygosaccharomyces versicolor Sacchetti, are kept for study and identification, and are shipped vast distances for this purpose.

Coming Theatre Events

Maurice Evans To Present 'Hamlet'

A dramatic event of the first magnitude in San Francisco will be the engagement of Maurice Evans at the Geary theater for two weeks only, beginning Monday, January 15, in that production of "Hamlet" in its entirety which was accorded last season in New York, by the critics and the public, the most rapturous praise ever won for any production of Shakespeare in our time. Evans' present transcontinental tour follows his recent second remarkable run in the play this season in New York.

Not only the brilliance of Evan's acting of the greatest of all stage roles, but the colorful elaborateness of the whole production with the spirited performance, contributed a glowing chapter to theatrical history. Evans is presenting for the first time in America the complete, uncensored play which Shakespeare wrote and not the usual cut acting version. The verdict of critics and capacity audiences, both in New York and on Evans' tours, has been that the entire "Hamlet" is an exciting discovery.

The curtain at the Geary theater for "Hamlet" will rise evenings at 7:30 p. m. sharp and at the Wednesday and Saturday matinees at 1 p. m. sharp.

The extraordinary enthusiasm for Maurice Evans' idea of how Shakespeare should be produced today and the glowing admiration of his gifts as an actor have during the past three seasons roused the interest of playgoers throughout the country.

Successful Musical To Coast

One of the most important musical productions to visit the Pacific coast in many seasons will be Dwight Deere Wiman's New York Chicago, Boston and Philadelphia success, "I Married An Angel," which is scheduled to play the Curran theater in San Francisco for a limited engagement of two weeks beginning Sunday evening, January 14.

A company of ninety-five people will appear in the musical when it plays in San Francisco, and it will be headed by such well-known Broadway stars as Dennis King, Vivienne Segal and Karen van Ryn.

"I Married An Angel" is one of the most important and successful productions that Wiman has made in his highly successful career as a Broadway producer. For one solid year it packed the Shubert theater in New York City and later on in Chicago duplicated its New York success by playing to absolute capacity for eight weeks.

Richard Rodgers and Lorenz Hart have added to their already noteworthy record as masters of musical comedy-making in the concoction of this effervescent musical fable from the light comedy of John Vaszary. Joe Mielziner has provided it with unique and astounding stage settings and mechanical effects and John Hambelton has provided some of the most beautiful and colorful costumes the stage has presented in many a day.

Secret of Success

Fifteenth Installment

History of Fire Dept.

(Editor's Note: This is the fifteenth installment of an informal history of the Daly City Fire department, dedicated to "those who serve—not for personal gain—but for the welfare of all."

Through the cooperation of William J. C. Goldkuhl, E. W. Goldkuhl sr., and Edward W. Goldkuhl jr., authors, and the Daly City Record this interesting story is made available to the general public.)

By 1929 a mechanized fire department, surprisingly efficient, answered the call of fire in Daly City. The town was now divided into fire districts, putting the whole of the city constantly under fire protection. Each company answered the calls in its own district, and the other companies stood by to lend aid if necessary. The great number of men in a company made it possible to nearly always have a full fire fighting crew. Mistakes were made, but in the discussion at the meetings following the fires, steps were taken to remedy them.

In the year 1930-1931, through a joint picnic held at Lovchen Gardens, Colma, Departments Number 1, 2, 3 and 4 raised funds for completion of dress uniforms. The picnic was a success but fell far short of raising the necessary amount. The companies then voted to tax their treasuries, and through contributions of each member, the fund was raised. The department then blossomed forth in dress uniforms both a credit to the members and the department as a whole.

The personnel of the Fire Commission in 1930-31 included George Augustien of Company Number 4, chairman; Gus Schenk, Company Number 1; E. Forsell, Company Number 2; P. Selmi, Company Number 3, and J. Crosby, Company Number 5. Chief of the fire department, J. J. Kennedy; asisstant chief, district 2, Fritz Hanson; chief marshal, H. W. A. Rickman; assistant chief, A. P. Chesney, and clerk of the board, A. Lang, completed the group.

Company Number 1, in June 1930, was changed from a regular fire fighting unit into a rescue squad. In the years following, many an injured person was given first aid treatment and transferred to a hospital by this new unit. G. Schenk was chief of this department; P. Dormoy, captain.

In the latter part of 1930, Daly City annexed a portion of Colma. At this time two fire companies existed in Colma, and with the annexation, one of these companies came into the Daly City Fire department as Company Number 6. Among the members of the new addition to the General Department were: L. Kusber, A. Silicani, G. Benedetti, A. Benassini, Les Volkman, J. Kusber, R. Benedetti, J. Ferretti, P. Benassini, A. Stampanoni, G. Volkman, J. Callan, A. J. Gaggero and G. Graziani.

On November 26, 1931, the fire department officially attended the dedication of the new reservoir, the latest addition to the water system. The water system, like the town's fire department, had continually forged ahead and its last addition was a tribute to the march of progress in Daly City.

On January 3, 1933, Chief J. J. Kennedy resigned as chief of the Daly City Fire department after many years of faithful service. A. L. "Barney" Hilton of Company Number 4, pioneer member of the department, was appointed by the fire commissioner. Captains of the companies during this year were: P. Dormoy, Company Number 1; Ed Goldkuhl sr., Company Number 2; H. Lorentz, Company Number 3; Jefferson Lee, Company Number 4; R. Anderson, Company Number 5, and A. J. Gaggero, Company Number 6.

Bank of America Stimulates Trade

Bank of America's year-end statement of condition, just released, is of particular interest to this community because of its importance to the business life of this area, according to Carl E. Newman, manager of the Bank of America branch here.

"A specific indication of the usefulness of this bank," he said, "is shown in the statement by the vast amount of money advanced to business and to individuals, vitally stimulating trade and employment throughout our state. Our branch here is proud to have an important part in this activity.

"The growth of our business demonstrates that our efforts to serve the proper financial needs of the community and surrounding area are meeting with wide approval."

Versailles in Germany

On a lonely island in the Chiemsee in Germany stands one of the most amazing palaces in Europe—an almost identical reproduction of the chateau of Louis XIV at Versailles. The copy was built at tremendous expense by Ludwig II, the "mad king" of Bavaria, who cherished a great admiration for the French king and his famous country estate.

108 Miles of Tunnels

Tunnels aggregating 108 miles in length are part of the giant aqueduct which will carry Colorado river water to Los Angeles. The cost will be $220,000,000.

First School Sports

The first regularly organized school athletic meeting of modern times was that promoted by the Royal Military Academy at Woolwich, England, in 1849.

Little Diane Dorrance Celebrates Second Year

Mr. and Mrs. James Dorrance, 427 Irvington street, entertained Saturday in honor of their daughter, Diane, who celebrated her second birthday. The party was highlighted by taking photographs of the guests seated at a table beautifully decorated in yellow and orange. Little Diane received many lovely gifts from her friends.

Present at the party were Mrs. Paul Williams and son, Donnie; Mrs. Dave Gehringer and son, Davey; Mrs. Lawrence Kennedy and son, Larry; Mrs. Elmer Hanley and daughter, Peggy; Mrs. Felix Foreman jr., Mrs. George Hopman, Mrs. Hal Moral, Mrs. Ben Janssen, Mrs. Gust Alldo and Mrs. Frank Miller.

Jefferson To Choose Student Body Officers

January 12 is the date set for the election of Jefferson Union high school student body officers.

Candidates who have petitions in for offices are as follows: for president, Charles Yonan; vice-president, Charlotte Weait, Charlotte Hughes, Pete Filios and Robert Capps. Candidate for secretary is Norma Barker; for treusurer, Betty Morris and Adrienne Domecus; sergeant-at-arms, Harold Bolger, Melvin Dykman and Roy Johnston; judge, Evan Gillespie, Ben Rosenberg and Roy Giusti.

Boulder Dam Power

The Boulder dam power plant produces about one-fifth of all the electrical energy used in southern California. Fishing is permitted the year round in Lake Mead, the giant body of water formed by the dam.

Local Pussy Brings Home Cup

Mrs. James Clifton, 147 Winchester street, and daughter, Patsy, arrived home from Hollywood, Monday, with Donna Dee, Mrs. Clifton's Red Peke Face Tabby Persian, bringing home another ribbon and cup.

This was Donna Dee's third show, and she remains undefeated, with her championship finished. Donna Dee was awarded first and winner and best of breed, opposite sex.

Donna has an ancestry of champions, with Miss Dorothy Eason's Red Boots of Cherokee for one grandmother and Mrs. Clifton's champion Rubyette for another grandmother. Having finished her championship, Donna Dee will retire from public life. Mr. Clifton's Manx, Black Bomber, is also a finished champion.

The Hollywood show was held by the Los Angeles Cat Fancier's association, under the auspices of the American Cat association.

Final Rites Held For Mrs. Mary Gilbers

Final rites were conducted Thursday for Mrs. Katherine Mary Gilbers, 199 Whittier street, who died last Sunday.

She was the wife of the late Conrad Gilbers. Surviving her is the daughter with whom she made her home, Mrs. Annabell M. Cree.

Burial was at Holy Cross cemetery, following services from the W. C. Lasswell and company chapel.

Year's Business Tops All Previous Marks

Bank of America 1939 Gains Due to Popularity of Policies

Releasing the statement of condition of Bank of America as of December 30, 1939, L. M. Giannini, President, stated that popular acceptance of the statewide services of the bank during the year had been indicated by the opening of more than 585,000 new accounts, as well as the making of more than 600,000 new loans for a total of over $616,000,000.

Total resources at the year-end stood at $1,628,586,000. Deposits totalled $1,482,791,000, an increase of $74,484,000 since June 30, 1939, another new high.

GREAT LOAN VOLUME

Further growth reflected by the statement included:

Loans and discounts, which totalled $711,054,000, were $15,952,000 more than June 30, 1939.

Earnings for the year were $28,330,000 before $4,381,000 was allocated to reserves for depreciation of banking premises, furniture, fixtures and equipment, amortization of bond premiums, etc., and before $5,000,000 reserves applied to reduce the carrying value of loans and investments. After payment of dividends to stockholders at the rate of $2.40 per share for a total of $9,600,000 for the year, and the allotment of $1,206,000 to the bank's personnel under the employees' profit-sharing bonus plan, capital funds were increased $8,142,000. From this there was deducted during the year by special charges against profits amounting to $5,356,000 a valuation reserve of 100 per cent against certain foreign credits on substantially all of which interest is currently being paid but which may be adversely affected by the war.

STRONG RESERVES

Banking premises, furniture, fixtures and equipment are carried at cost less depreciation, and to the end of 1939 depreciation of $15,788,000 has been applied to reduce the book value to the present figure. Also, certain other reserves are shown as applied to reduce the book value of assets with $15,564,000 provided for possible loss on loans and $5,800,000 provided on securities. The actual market value of the bank's investment in securities is substantially more than the amount at which they are carried on the books of the bank.

POLICIES APPROVED

Commenting on the year's results, President Giannini said:

"It is with a deep sense of appreciation that we are able to present tangible evidence of the approval of Bank of America policies and service by old and new friends. No banking institution in the country enjoys the privilege of serving a greater number of borrowers and depositors than Bank of America. To them and all the communities we serve our continued efforts to maintain that distinctive type of constructive 'banking that is building California' are pledged."

Summons to Establish Title

Action No. 30469

In the Superior Court of the State of California, in and for the County of San Mateo.

Department No. One

S. A. CHAPPAT and LENA CHAPPAT, Plaintiffs vs. All persons claiming any interest in, or lien upon, the real property herein described or any part thereof, Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA:

To all persons claiming any interest in, or lien upon, the real property herein described or any part thereof, defendants, greeting:

You are hereby notified to appear and answer the complaint of S. A. Chappat and Lena Chappat, plaintiffs, filed with the Clerk of the above-entitled Court and County, within three months after the first publication of this Summons, and to set forth what interest or lien, if any, you have in or upon that certain real property or any part thereof, situated in the County of San Mateo, State of California, particularly described as follows:

BEGINNING at a point on the easterly line of the Bayshore Boulevard, formerly known as San Bruno Road and as Milliken Street, distant thereon 165 feet 8 inches southwesterly from the intersection thereof with the southwesterly line of Sunnydale Avenue, formerly known as Tobin Street, in the City and County of San Francisco; running thence northeasterly along said line of the Bayshore Highway 50 feet; thence leaving said line at a right angle southeasterly 105 feet 8 inches; thence at a right angle southwesterly 50 feet and thence at a right angle northwesterly 105 feet 8 inches to the point of beginning.

EXCEPTING, HOWEVER, that portion thereof lying within the boundaries of the City and County of San Francisco.

And you are hereby notified that, unless you so appear and answer, the plaintiffs will apply to the Court for the relief demanded in the complaint, to-wit: That it be adjudged that the plaintiffs are the owners of said property in fee simple absolute; that their title to said property be established and quieted; that the Court ascertain and determine all estates, rights, titles, interests and claims in and to said property, and every part thereof, whether the same be legal or equitable, present or future, vested or contingent, and whether the same consists of mortgages or liens of any description; that plaintiffs recover their costs herein and have such other and further relief as may be meet in the premises.

WITNESS my hand and the seal of this Court.

Dated October 9th, 1939.

Pershing PTA Audits Books

Financial books of General Pershing PTA were recently audited and found to be correct, according to an announcement made today by Mrs. Ilda Marquis, president of the unit. Auditors included Mrs. Margaret Prescott, auditor; Mrs. Eva Carnevale, treasurer; Mrs. Hazel Cassasa, financial secretary, and Mrs. Marquis.

The last regular meeting of General Pershing PTA, preceded by a short board meeting, was well attended despite bad weather and being held on Tuesday, the first day of school following vacation. The classes of Mrs. Alice Bryan, principal, and Miss H. Engle entertained the meeting with recitations, readings and songs. Mrs. G. Carl Weller of the home service department, seventeenth district, CCPT, was guest speaker.

Mrs. Marge Woodside, parliamentarian, was welcomed back after an absence of nearly three months, due to illness.

An afternoon whist was planned for 1:30 p. m., Wednesday, January 17, at the school, with Mrs. Marquis as chairman. The public is cordially invited to attend.

The regular sewing circle will meet at the home of Mrs. Caroline Conroy, 577 Hanover street, at 8 p. m., January 24. All members are invited to help with the sewing.

During the Christmas holidays, Mrs. Marge Calvin entertained with a small whist at her home, 81 Partridge lane. After cards, prizes were awarded and dainty refreshments served.

The school cafeteria opened last Tuesday. Due to the stormy weather, a large number of children were served.

Mrs. Marquis attended the seventeenth district board meeting in Burlingame, Monday.

Cub Pack No. 141 To Meet Jan. 12

Cub Pack No. 141 will hold their regular meeting, January 12, Grace Nazarene church, Vista Grande and Santa Barbara.

Plans for the cubs' participation in the model airplane exhibit during Boy Scout week in February will be discussed.

Hi-Lighters Club Selects New Members

New members will be initiated soon into the Hi-Lighters club, it was announced today, with selection of new members already well under way.

Old members of the club expect to receive their official club sweaters by the end of this week, officers of the group stated.

Local Boys Organize New "Silver Aces" Club

Silver Aces, a new social club, was formed here last week, with a membership between the ages of sixteen and twenty-one years.

Elected president was James Foster; vice-president, Arthur Conaty; secretary-treasurer, Royal Padfield; sergeant-at-arms, Ralph Ridgway.

Silver Aces will meet the first and third Tuesday, 7:30 p. m., 245 Peoria street, and is open for membership.

Frank Pate Appointed Leader

Boy Scout Troop No. 141 met at Grace Nazarene church, Thursday. Frank Pate was appointed leader of the Waterdog patrol and Paul Underhill was given the post of troop scribe, replacing Frank Pate, who resigned to take the post of leader.

Kenneth Claussen replaced Donald Laston as librarian; Donald has moved to Oakland, but will remain an associate member.

Plans for the betterment of The Deep Purple monthly, the scout paper, were discussed and the new layout will include a photographic title page, on which from month to month different scout activities will be shown.

It was suggested to have two scouts pose for illustrations for the Len and Lon series which runs in the magazine. Zinc etchings, linoleum cuts and wood cuts made by the members are now used for illustrations.

Veteran Firemen Install Officers

Installation of new 1940 officers was the main order of business at the regular meeting of the Veteran Firemen's association, Friday, called to order by Comrade P. Valenti, at 188 Santa Barbara avenue.

With Comrade Past President Andrew P. Chesney acting as installing officer, the following were formally inducted into their offices: P. Valenti, member of board of directors; A. J. Gaggero, president; A. N. Lang, first vice-president; J. F. Fields, second vice-president; Edward J. Ford, secretary; A. L. Hilton, treasurer; H. W. A. Rickmann, chaplain; J. Kusber, marshal.

The sick committee reported that Comrade A. J. Green's condition was about the same and that Comrade Roehmer was improving. Comrade Secretary Edward J. Ford reported on Comrade Haller.

The committee in charge of the banquet reported progress. A committee was appointed to meet with the hall committee. Comrade Secretary Ford read a report of activities for 1939. The auditing committee is scheduled to meet later.

Comrade Chief Chesney was the lucky man of the evening.

Members who attended reported that the San Francisco Veteran Firemen's banquet had been a huge success.

Comrade Chef J. Hesslein served a buffet supper, and stated that he would take good care of the comrades at the buffet table for the ensuing year.

Theatre To Show Drama of Youth In Aeronautics

"20,000 Men A Year!"

Today America's eyes are on them—as the college youths of the nation, thousands strong, take to the sky! Eager for action, ready for danger, the students of today are the airmen of tomorrow, and their thrilling story is told, through the eyes of the women who love them and the men who give them wings, in the Cosmopolitan production for Twentieth Century-Fox coming tomorrow at the Daly City theatre, "20,000 Men A Year."

Timely as tomorrow's headlines, the film features Randolph Scott, Preston Foster and Margaret Lindsay heading a cast including Mary Healy, Robert Shaw, George Ernest, Jane Darwell, Kane Richmond and Maxie Rosenbloom.

The original story by Frank Wead, renowned author of aviation fiction, was inspired by the year-old Civil Aeronautics Authority program for training civilian fliers in the nation's colleges and universities. The CAA has undertaken to train 20,000 men a year for the stimulation of private flying as a means of promoting commerce and contributing to the progress of American aviation.

Margaret Lindsay and Randolph Scott

In the screen play by Lou Breslow and Owen Francis, the locale of "20,000 Men A Year" is a small airfield in California selected by the CAA to train students from a neighboring college. Randolph Scott is the instructor in charge—tie an electric fan to a barrel-stave and he'll teach you to fly it! Preston Foster plays a CAA official, with hard head, fast fists and a soft heart. He's a tough buzzard, with eagle feathers! Margaret Lindsay, as the sister of one of the fledgling undergraduates, has no use for fliers—until she falls in love with one!

Companion feature on the new bill is "Fighting Gringos," starring George O'Brien.
